

## **Welcome and Pre-Homework**

This course will show you how to develop and use your photographic skills to take professional and eye-catching photos with your iPhone.

You will learn the secrets of how to:

- make your Instagram feed cohesive an 'flow'
- · develop your unique visual style and find your inspiration
- take and edit iPhone photos
- · use all your iPhone photo features
- use light and focus
- tell a story with your photography

Before we get started I want you to answer 3 questions on the next page.
